**Kate:** Pray for God's guidance in serving youth and understanding their needs. I have applied for U.S. citizenship, awaiting completion in God's timing. Also, seek God's wisdom to finish theological studies. I've been ill four times in the past six months; pray for God's healing and protection.

**Paul & Grace:** Pray for our evangelistic ministry development in the CKP region. May God prepare compatible coworkers to collaborate and serve together.

#### Macau

**Jennifer Kwok:** May the Lord bless the February Lunar New Year activities, including celebration with the self-living elderly, and outreach and follow-up with unsaved families. May the Lord prepare enough helpers for the Mar. 17 Easter Carnival, bless the Mar. 20 “Seniors in Motion” event and the Mar. 23 parenting seminar, and guide us in managing the attendance.

#### South Korea

**Xiao Na:** Heading home for the Spring Festival to visit my parents. May the Lord keep the fellowship running normal while away from the field. Grateful for Dad's good recovery; he can now walk a bit on his own. Hope to spend more time with my parents at home.

**David & Carol:** May the Lord use our campus ministry and build a new group of disciples, allowing our service to be a blessing to students.

**Jackson Saekow:** In March, I'll restart our biweekly men's group and continue serving at our Thursday food pantry. Please pray for my new vision to reach the Thai community in San Francisco and for preparations to speak at a June summer retreat.

## CENTRAL & SOUTH AMERICA

### Belize

**Gregory & Maggie Har:** Please continue to pray for the "Youth Hostel" project as we need mission partners and financial support. Also pray for permanent housing and a car, as we currently stay with an elderly pastor and use a car borrowed from a local brother for visits and airport travel.

### Ecuador

**Derek & Sindy Leung:** The government is determined to combat public safety issues arising from the fights between gangs and drug dealers. May the Lord give wisdom to the government to resolve this problem.

### Peru

**Alex & Elisa Lau:** Please pray for my wife, me, and five young people during Feb. 21-27 to attend the Youth Dedication Conference in Panama. May the Lord guide my sharing and let the youth understand God's calling. Pray for the preparations of the college winter camp in April.

### Venezuela

## EUROPE

### France

**Ban & Ling:** Grateful for various visiting mission teams' help in ministry, allowing seekers to understand salvation through different means. Pray that the departed and new students have opportunities to know the gospel. Pray for smoother collaboration with different international teams.

### Germany

**Samuel & Mary:** Please keep praying for His work in finding a new meeting place. Despite ongoing prayers, we have not yet found a suitable place for our use. We trust in God's timing and arrangements. May God give us grace to wait patiently.

## OTHER REGIONS

**Bridget:** Over 400 people accepted Christ during this oversea mission trip; will follow up with local ministers about nurturing new believers after returning to Hong Kong. Met former students who now serve as missionaries there; may God bless them. Pray for the Lord's guidance when I resume training trips after the Lunar New Year.

**Donkey:** Grateful for students studying diligently. May the Lord give wisdom and patience to follow up with students with special needs, and guide appropriate adjustments in the pace of life.

**Wheat:** May the Lord give the ability and wisdom to allocate time wisely for work and rest. In teaching and caring for students, may I be able to help them more and witness for Christ.

**Peace:** May the Lord give wisdom as I support a mother with a daughter who has severe depression and often harms herself. May the Lord have mercy on the girl and strengthen the new believing mother, so they may experience God's power and redemption.

**As one:** May the Lord use fellowship and small group's biblical teachings to strengthen believers' spiritual lives, and give wisdom to shepherd those in need. Remember the overall well-being of both sides of our parents.

**Stella:** May the Lord give wisdom to prepare suitable gatherings for both new friends and believers to get help, and increase patience and love to build up new believers and cultivate them.

**Olive:** The 2024 Jewish ministry's sermon theme is about the relationship between God's promises to Israel in the Old Testament prophecies and Christians who eagerly await Jesus' second coming today. Please continue to pray as I prepare for this sermon. May the Holy Spirit's inspiration, through me this unworthy person, touch the hearts of our brothers and sisters, and myself.

**Fisherman:** May the Lord pave the way for the church amidst environmental pressures and the March training for leaders and coworkers in various churches go smoothly. Grateful for the Lunar New Year gathering with family.
